EMPOWERING FUTURE GENERATIONS

CHRM College stands at the forefront of higher education institutions dedicated to empowering students with the tools they need to succeed in the job market. In July 2023, the college partnered with Naivas Supermarket and conducted interviews for several CHRM students who had completed their studies. Naivas Supermarket had around 6 positions that needed to be filled and through a rigorous interview

process conducted by Naivas Supermarket at CHRM College, one of our students secured a position at the company.

Over the past years, CHRM College has maintained a close collaboration with its graduates, ensuring that they are provided with opportunities after completing their studies. By emphasizing career counseling, internship opportunities, skill development

workshops, industry engagement and alumni mentorship, the college ensures that its graduates are well-prepared for the challenges and opportunities that await them. With a forward-looking approach, the college emphasizes not only academic excellence but also the creation of meaningful opportunities for its students after they complete their studies.

CHRM College paid a courtesy visit to KETRACO, where our team led by Principal CHRP Margaret K. Kinyanjui, Deputy Principal CHRP Alphas Adoga Keverenge and Business Development Manager Moses Maina had the opportunity to engage with Managing Director Dr. (Eng) John Mativo and General Manager, Directorate of Human Resource & Administration, CHRP Reginah Kemboi to discuss potential avenues for collaboration in Human Resource.

KETRACO upholds several core values such as teamwork, innovation, integrity and customer focus. During the meeting, CHRM College had the opportunity to present its exceptional services which include Executive Trainings, In-house trainings and Customized Programs. These services are great avenues to help KETRACO implement its core values.

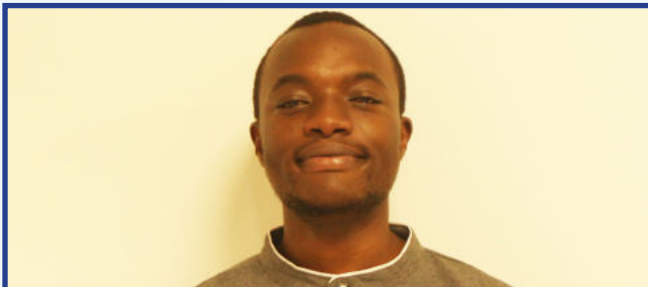

We are looking forward to fostering this collaboration as we aim to empower the KETRACO team with essential knowledge and skills and ensure success in their respective careers.
